

Destroyers Doing Job

Signalman George Ackerman, son of Mr. and Mrs. George F. Ackerman of Rte. 4, Box 447, Antioch, pulls a pennant from the flag hoist high on the signal bridge of the Navy destroyer USS J. W. Weeks. During his ship's deployment with the Seventh Fleet off the coast of Vietnam, Ackerman works with ship-to-ship visual communications via flashing lights, semaphore and the flag hoist. (U.S. Navy Photo by PH3 Charles Knox.)

April 25, today off the coast of Vietnam, a fleet of small, scrappy ships—U. S. Navy destroyers—is adding new episodes to the saga it began in World War I.

Radar picket destroyers maintain a coastal blockade along South Vietnam's coast to intercept Communist supplies bound for the country by sea. During 1968, our ships searched an estimated half million watercraft and seized those which were bootlegging supplies to the enemy.

At the same time other destroyers provide gunfire support for allied troops ashore. Making high-speed runs, these shallow-draft ships dart in and out along the coast, firing on targets up to 13 miles inland. Last year the Navy unleashed more than a million rounds at some 15,000 targets in both North and South Vietnam, much of the firepower coming from the armada of destroyers.

Before the November 1968 bombing halt, destroyers on "Operation Sea Dragon" completely stopped Communist barge traffic trying to move south in the shadow of North Vietnam's rugged coast.

They also trained their guns on North Vietnamese artillery sites, railroads and war industries until the bombing stopped.

While "screening" aircraft carriers, destroyers run interference by placing themselves "in harm's way" between the enemy and the flattops. Three-inch anti-aircraft batteries or surface-to-air missiles on the DD's provide an umbrella for the carriers in case of air attack.

Destroyers take on life-guard and plane guard roles, too. During each launching and recovery of planes aboard a carrier, a destroyer follows in her wake to rescue any pilots or ship's personnel who might find them.

Goldwater YGOP Speaker

The Waukegan Young Republican Club has announced that Senator Barry Goldwater will be featured speaker at the annual dinner-meeting, to be held May 15 at the Highland Park Country Club.

This will be Senator Goldwater's first visit to Lake County, traditionally Republican territory and home of many dedicated conservatives. The closest stop made during the 1964 presidential campaign was Evanston.

In securing the services of the Senator, club president Ronald Griesheimer said, "We couldn't be more pleased. Those who are members of our organization and the hundreds who have backed our annual event consider it a great honor to have such a distinguished Republican as Senator Goldwater as our speaker this year. We are elated to be able to maintain our reputation for bringing well-known Republican figures to our area for this YR affair."

Previous speakers at the Young Republican function included: Senator Everett M. Dirksen, Mrs. Shirley Temple Black, and Congressman Donald Rumsfeld the newly appointed head of the poverty program.

A maximum crowd of 500 persons is expected to attend the dinner to hear "Mr. Conservative." Senator Goldwater was re-elected to the Congress last November from his home state of Arizona after a four year absence.

Griesheimer emphasized that tickets for the dinner May 15 are by reservation only, and the deadline is fast approaching. Persons interested in hearing Senator Goldwater should obtain their tickets by sending a remittance of \$10 per person to: Ronald Griesheimer, 25 N. County St., Waukegan, Ill. 60085. Tickets will be mailed May 9. No tickets will be sold at the door the night of the dinner.

County to Have Centrex

CENTREX, Bell Telephone Company's latest, most flexible and efficient phone system yet designed, will be in operation at the Lake County courthouse complex, beginning Monday, May 12.

With the new system each county department will have its own telephone number. This means outside calls can be placed directly to the office or individual without going through a switchboard operator. Also, calls will

Preserve Is Set For Work

The Lake County Forest Preserve District Commission met Thursday, May 1, amended several of its rules and approved committee assignments.

Six regular meetings of the commission have been set for 1969-70, all to be held on the third Thursday in June, August, September, October, December, and February.

Members approved eleven declared holidays in conformance with the rules of the County Board of Supervisors adopted earlier in the week. The holidays are: New Year's Day, Lincoln's Birthday, Good Friday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving, Christmas, and General Election Day for members of the Illinois House of Representatives.

An addition to the order of business for both the Forest Preserve Commission and the County Board is the pledge of allegiance, which will follow the call to order and the invocation at every meeting.

Forest Preserve President Ernest W. Minter appointed Truman Gerretsen clerk and Raymond J. Sheahan treasurer of the commission for the coming year.

Committee appointments are as follows: FINANCE — Joseph J. Nemanich, Chairman; Frank B.

VOL. LXXXIII. NUMBER 46

County Home Expansion Okayed By Supervisors

The Lake County Board of Supervisors Tuesday approved a \$3 million expansion program for the Lake County Nursing Home in Libertyville.

The improvements include upgrading the existing building and constructing an additional three-story structure and shells for the fourth and fifth floor.

The total cost of the project is set at \$3,031,000 and 18 months has been set for completion of the expansion program.

Some \$345,000 will be used to upgrade the present building which will provide additional service facilities to service both structures.

Included in the program in the old building are additional nursing stations, utility rooms, privacy curtains, nurses' call system, new solariums, corridor light, elevator replacement, boiler room addition, enlarging and altering of laundry, central stores and autoclave room, occupational therapy facilities, and training room and central pharmacy.

Total construction of the new building is estimated at \$2,683,000 and it will expand the present 153-bed home to 335 beds. The bed space in the old building will be reduced to 135 beds and the new addition will house 200.

County Finance Director Robert Morrison said he thought the county could stay within its 6.6 corporate fund rate if the supervisors did not launch any other major projects.

He said the corporate fund had a \$2 million surplus last year and that the budget approved this year would add another million.

The project was one of seven plans the supervisors had to choose from and it was approved by a vote of 31 to 1. The only supervisor voting against the project was Avon Township Supervisor Norman C. Geary.

The original plan called for an expansion of 100 beds from the present 153 at a cost estimated at \$1.5 million. State regulations require, however, that there will be only 40 new beds on the first floor and 60 on each of the others.

Plan Art Auction

The Art Club of Antioch High School will hold an art auction in the school auditorium on Wednesday, May 21, at 8 p.m.

The purpose of the affair is to promote the sale of student work and earn money for the Arts Painting Purchase Fund.

Each year the club is striving to raise funds to buy an original painting of an artist from our area. Last year the club acquired a water color from Ellen McDowell and it is now displayed in the school corridor.

Students work from regular day classes as well as from adult evening classes and all paintings will be up for auction.

Special features will be used to enliven the sales including the statue of Jubilation T. Cornpone used in the recent school production.

(Continued on page two)

Plan Science Trip For ACHS Students

The Science Department of Antioch Community High School is sponsoring a trip for science students to attend the State Science Fair held at the University of Illinois, Urbana, on May 10.

Richard Elliston, chemistry teacher at Antioch Community High School will be in charge of arrangements for the trip.

The bus will leave the high school at 6 a.m. and return at approximately 10:30 p.m.

The trip is for encouraging students to pursue Science as a subject and possible vocation.

An artist's conception of what the Lake County Home in Libertyville will look like with a \$3 million addition.

Township Dump Studied

Antioch Township Supervisor Lloyd E. (Red) Murrie said today that there is a study under way to provide a dump within the limits of Antioch Township.

Murrie pointed out, however, that although there is a need for a dump in the area "no one wants to have it next to where they live and this is posing a problem."

Murrie said the study is only in the preliminary stages although there has been some talk recently of petitions being circulated to make such a proposal a reality.

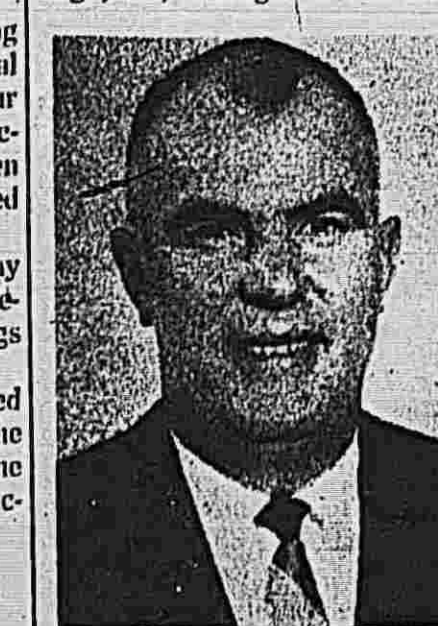

"It is possible that we can find a location that will be pleasing to everyone," Murrie said. "At least we are going to give it a try."

He added, however, that if petitions are being circulated he has not seen one.

Lake Villa Man Wins Promotion

James M. Lappen, an agent in the Prudential Insurance Co.'s Waukegan district office, located at 2217 Grand Avenue, was promoted recently to staff manager.

According to George E. Keough, Jr., manager of the office,

James M. Lappen

Lappen has represented Prudential since May, 1964.

As an agent, he sold more than \$1 million of Prudential business during 1968 and received the company president's citation for outstanding production achievement in 1968.

Lappen is a member of the Lake Villa Lions Club and the Lake County Life Underwriters Association.

He and his wife, Donna, live in Lake Villa at 857 Cedarcrest Dr. They are the parents of two daughters, Terese and Kristine, and a son, Scott.

Tuition At CLC

Tuition at the College of Lake County for the Fall 1969 term has been announced by the Board of Junior College District No. 532. The fee for residents of Junior College District 532 will be \$7 per semester hour, with a maximum of \$105 per semester.

A reasonable fee was established to make it feasible for any student wishing to attend CLC to be able to afford it.

One college administrator observed, "When the Junior College Act was conceived it was the intent that community colleges would overcome the financial obstacle created by rising costs of attending college today. With low tuition, plus being able to live at home while attending CLC, students who enroll in the College's University Parallel Program could save 50 per cent, or more, by taking their freshman and sophomore years at CLC."

Illinois Junior College District 532 is made up of 12 public high school districts: Antioch, Grant, Grayslake, Lake Zurich, Libertyville, Mundelein, North Chicago, Round Lake, Warren, Waukegan, Waukegan and Zion-Benton. Residence policy requires that a person, to be considered a legal resident, must legally reside in District 532 at the time of enrollment.

Students who wish to attend the College and live in Illinois but outside of Junior College District 532 and not in another junior college district, may be able to receive financial assistance from their local high school to attend CLC. In Illinois, persons seeking admission to a public junior college can make application to their local high school for payment of the difference between the \$7 resident tuition and the non-resident student's cost of education, less the State reimbursement. Non-residents who plan to enroll for the Fall term should contact their high school administrator for additional information. Under provisions of the Junior College Act, the deadline for seeking assistance is July 1.

The College recommends that interested out-of-district persons contact their high schools as soon as possible to determine if they are eligible for financial assistance to attend CLC. Although preference must be given to residents of District 532, students living outside the District will be considered for admission on a first come basis.

Students from other states wishing to attend CLC will be expected to pay the full cost of education. There is no reimbursement from either the State or high

school district for out-of-state students.

In addition to regular tuition, there will be a charge of \$10 per semester for Registration and Activity Fee to students enrolled for nine or more semester hours. Students enrolled for fewer than nine hours will be charged \$5 per semester.

A student who enrolls after the close of the official registration period Sept. 8 and 9 will be charged a Late Registration fee of \$3. The Board stressed the fact that students will be accepted for the late registration only during the drop-add period Sept. 11 through 17.

It was also pointed out that students should expect to incur additional expenses for purchase of textbooks, supplies, materials for specific classes, specialized instruction, and at the appropriate time, a graduation fee.

The maximum tuition a resident student can pay per semester is designed to encourage students taking full-time course loads. Even though he may be taking 18 credit hours, the most the student will pay in tuition is \$105 per semester. A student who plans a lengthy college career will find he will get a first-class education.

(Continued on page two)

Volunteers Needed To Sell Vet Poppies

F. A. Swenson and Mrs. Bernard DeVries, Poppy Chairmen for the Antioch American Legion and the Auxiliary, respectively, have already recruited quite a number of volunteers to assist in the selling of poppies on May 23rd and 24th.

However, there is always room for more assistance, and anyone who wishes to donate their time and efforts on these days, will be deeply appreciated. Please contact either Mr. Swenson or Mrs. DeVries.

The hospitalized and indigent veterans have sacrificed greatly for all of us.

In 1968, there were 1,570,325 poppies distributed in Illinois, and these disabled veterans received \$16,110.00 as their payment for assembling the poppies. This money, said David C. Leach, State Legion Poppy Chairman, goes directly to the veterans who made the poppies.

Any sums realized above the stated payment to the handicapped veterans, can only be utilized in service and relief funds in the Child Welfare and Rehabilitation Program.

This is the 46th consecutive year that the American Legion and the Auxiliary have been engaged in the distribution of poppies in Illinois. All money the local post and unit receives goes to the Downey Hospital veterans and the Great Lakes Naval Hospital.

The Rehabilitation Department of the American Legion has the responsibility of handling all types of claims or service work. It furnishes gratuitous service to all deserving veterans, their dependents, and to the public. Records will show that the American Legion is the only veterans' organization which maintains such service from its own resources.

It is hoped that the average citizen will be more generous in their contributions when they know how their money is spent for the needy veterans and their dependents.

Please wear a Poppy in honor of our war dead, and assist in the rehabilitation of those veterans who are now hospitalized, suffering from wounds and illnesses.

Fettinger Winner Of Lomb Award

The annual Bausch & Lomb Honorary Science Award was presented to Fred Fettinger, III, by Richard Elliston of Antioch Community High School.

In announcing the 1969 winner, Superintendent Albert L. Dittman said, "The B&L Science Award is especially significant. It makes possible recognition of the outstanding senior student having the highest scholastic standing in science subjects."

As a winner of the Honorary Science Award, Fred is eligible to compete for a B&L Science Scholarship, at the University of Rochester.

The combined B&L and U of R investment in a four-year Scholarship is approximately \$2,000.00 per year for four years, allocated on a need basis.

The Science Award—a handsome bronze medal—is presented by more than 8,500 participating schools. Surveys have indicated that more than 30 per cent of the winners have been encouraged by the Award to follow scientific careers.

The Bausch & Lomb Science Award and Scholarship Programs have been officially approved by the National Association of Secondary School Principals.

Congressman Robert McClory and staff members, Juanita Young and Grace Orbaugh, receive mailbags of completed questionnaires circulated by the Congressman among Illinois 12th District residents.

They Serve

Next Week is National Police Week and our boys in blue will be honored throughout the land. And it goes without saying that the honors are more than overdue.

Highlight of the observance nationwide will be Peace Officers Memorial Day on May 15.

It is an opportunity for all Americans to pay respect to the men and women who devote their lives to our system of law and its enforcement.

Members of law enforcement can be proud that their primary responsibilities relate to protecting the ideals so vital to our Democratic way of life.

Justice and equality should be the goal of all men but the rights and liberties under a free society are not automatically accrued.

A continuous watch by our law enforcement officials is the key.

We join in honoring our men and women in law enforcement.

Wise Decision

Secretary of the Navy John H. Chaffee has earned our plaudits and at the same time has closed the issue of the Pueblo.

Chaffee has decided that no disciplinary action will be taken against any of the officers or men of the ill-fated intelligence ship Pueblo.

We applaud this action vigorously.

A board of inquiry had recommended that the ship's captain Cmdr. Lloyd Bucher and one of his assistants be given courts martial.

Chaffee vetoed the effort.

We believe it was a wise decision on the part of the Secretary.

We believe he also showed that the service can only expect so much from human beings despite the fact that many old Navy officers still have the "down with the ship" outlook.

Chaffee pointed out that if the men of the Pueblo were to be criticized, then the blame should start where it really ought to be—from the top brass downward.

Chaffee, in overruling the court's recommendation said that "they have suffered enough and further punishment would not be justified."

We kind of like Secretary Chaffee.

We agree.

LT. GOV. PAUL SIMON

The "Squeeze Period" In State Finances

What will happen to Governor Richard Ogilvie's recommendations for increased taxes is not yet clear, though some type of tax increase will be passed by the legislature.

There will be a period, however, between July 1 and perhaps October 15 when the new revenue is not available in significant amounts, yet expenditures for school aid and other things will be draining the treasury.

One possibility of getting by this "squeeze period" is to increase some taxes which will produce immediate, substantial revenue.

A better suggestion has been made by State Treasurer Adlai E. Stevenson III.

He has suggested that a Fiscal Transfer Board be created, composed of the governor, the director of finance and the state treasurer which would have the authority to temporarily transfer money from certain earmarked funds, to tide the state over the difficult months.

There are approximately \$300 million in funds such as the Agricultural Premium Fund, the Drivers Education Fund and many others.

In some of these—such as the Agricultural Premium Fund—the governor already has the authority to transfer money to the general revenue fund.

But in many others, this is not the case.

If some such action is not taken, the state will find itself in the awkward situation of being "broke", while at the same time it has more than \$300 million sitting idly in various earmarked funds.

In no case would this apply to pension funds, which should not be touched for such purposes.

Since the governor appoints the director of finance, the next step would be to give him two out of the three votes, but the presence of the state treasurer is a safeguard to prevent hasty or ill-considered action.

The proposal by the state treasurer makes sense.

Your Congressman
Reports....

By Cong. Robert McClary

During this solemn period of reflection upon the life and work of former President Dwight David Eisenhower, it seems well to identify the Eisenhower qualities and characteristics which have induced so many to declare "He was a great man."

The so-called "Eisenhower years" from 1962 to 1968 were years of relative tranquility. Eisenhower as President brought an end to the Korean war. During the rest of his administrations no American lives were lost in combat.

It may seem anomalous—even miraculous—that the man who commanded the greatest military force in the world's history should earn the title of "Man of Peace."

Neither brilliance of speech nor any spectacular public record inspired the generous eulogies which have been uttered so spontaneously and beautifully during these recent days and weeks. Instead, most expressions have included simple words of devotion to this much-loved man.

Attendance at the United States Military Academy at West Point, was not at first intended to prepare him for a career as a soldier. He moved toward a serious academic and military career only after a full measure of experience with sports and other extra-curricular activities.

Dwight Eisenhower's progress through the military ranks was slow until an unexpected decision by the late President Franklin D. Roosevelt elevated him to command our military forces in Europe in World War II.

After the war and an experience as President of Columbia University, Dwight Eisenhower sky-rocketed dramatically and successfully into political prominence. With virtually no political background, and without even any great certainty as to his party affiliation, "General" Eisenhower as a Republican became "President" Eisenhower through the sheer attraction of his individual personality.

He was elected president twice by large popular votes, but without the political strength necessary to elect sufficient numbers of Republicans to the House and Senate with whom to work during his administrations. The expression "I Like Ike" was appropriately translated into virtually every language. That is exactly the way it was, Americans of French, German, Italian, Irish and Spanish descent, and from every other part of the world joined in their affection for Dwight David Eisenhower. He became their personal leader and their personal president when many scarcely knew to which party he belonged.

The tributes to Dwight Eisenhower have been of the same quality. Rich and poor, black and white, Republicans and Democrats, liberals and conservatives, young and old, leaders as well as common citizens from around the world, including those from both sides of the Iron Curtain, found occasion to express love and respect for Dwight David Eisenhower.

In a period when it may appear that militants and activists—even radicals and anarchists—have some attraction for the crowds, it is heartening and reassuring to observe the universal honor paid to Dwight Eisenhower. For here was a man who veered neither to the left nor to the right politically, but who steered a middle course. More particularly, here was a man who followed a straight path of spiritual and moral goodness in his public and his personal life.

Dwight Eisenhower possessed the compassion and understanding, the decency, the industry, and the personal leadership consistent with everything that is good and sacred and wholesome in our daily lives. He was revered, respected and loved in life. He is deeply mourned in death—by all Americans and by many others beyond our borders.

Plan Art...

A Proclamation

WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States has been officially recognized and endorsed by governmental leaders since 1922; and

WHEREAS: V.F.W. Buddy Poppies are assembled by disabled veterans, and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans; and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living"; therefore I, Raymond P. Toft, Mayor of the city of Antioch do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies on the day set aside for the distribution of these symbols of appreciation for the sacrifices of our honored dead.

I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

Signed RAYMOND P. TOFT
MayorLetters to
the Editor

The Honorable Richard Ogilvie
Governor of Illinois
Springfield, Illinois.

Dear Governor Ogilvie:
As a 16 year old Illinoisan, I am sick and upset by our State's action in condemning the C. L. Stevens farm which is located near Spring Grove, Illinois and near the Chain-of-Lakes State Park. I am so upset that this is the first letter I have ever written to a State Official and request that you let the Stevens family keep their farm.

Since I was a small boy I have visited the Stevens family, first with my grandfather who used to doctor the family, then with my father, and now by myself since I can drive. Their ancestors settled on this land and every succeeding generation has farmed it. Now the State had condemned the farm and farmhouse and the Stevens' are selling their cows and farm machinery on May 24th.

How can the State take away the home and farm of the Stevens family, and their livelihood for a purpose less worthy than that of protecting the freedom and livelihood of a family?

These people have kept up the home, land fertility and have supported themselves for over a hundred years from this land. They have not cost the state anything. They have not polluted air or soil. Is this the reward for stewardship?

Is our State no better than the Russians or the communists? Our state is not protecting the Stevens family. Our State is destroying this family. Our State is taking away the family home of an elderly lady past 80 years of age. Our State has caused her worry and frustration. Our State is destroying their honorable livelihood. Do you call this a humane act?

Do you believe that these acts by our State are helping a native Illinois family? Is this justice to take a home and farm from a family? I ask, how can you, as Governor, equate these acts with justice?

Please stop the proceedings which are less than humane, less than fair, less than just!!

Sincerely,

Lloyd Blakeman, III

12424 South 82nd Ave.

Palos Park, Illinois 60464

Tomorrow,

The club is sponsored by Mrs. Jane Craner and officers include Nancy Kumph, president; Barb Gusk, vice president; Donna Sukup, secretary, and Priscilla Strahan, treasurer.

Salem Teacher On
Advisory Committee

The initial State Home Economics Advisory committee met this past week at Madison. The meeting was called by Mr. William Kahl, State Superintendent of Schools and was conducted by Mr. Robert Rislan of the Department of Public Instruction.

Mrs. Jean Carlson, head of the Home Economics Department at Salem Central High School was elected chairman of this committee.

The function of the committee

Telephone Company
Prepares For Calls

"Hi, Mom. Happy Mother's Day!"

These words will be spoken millions of times Sunday (May 11), and most mothers will hear them via telephone.

S. S. Smith, Illinois Bell Telephone's general traffic supervisor, Suburban Operations, estimates that more than 7.5 million long distance calls will be placed across the nation on Mother's Day. Illinois Bell customers will originate about 600,000 of them, some 425,000 in the Chicago metropolitan area. (Chicago, 165,000; Suburban, 255,000; State, 175,000).

"Weather, though, is definitely a factor," Smith said. "If it's a nice day, calls of up to 100 miles or so will drop off sharply. Apparently, the kids jump into the family car for a surprise visit."

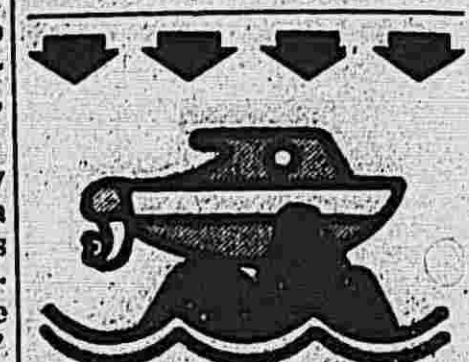

He noted that Mother's Day is second only to Christmas. About 5,000 Illinois Bell operators will be on duty; 4,000 special circuits will be added to the 140,000-circuit nationwide telephone network. Like Christmas, calls are placed over longer distances and to more remote places.

will be to meet with the state supervisors of home economics and to advise the State Superintendent on all matters relating to home economics education programs in the public schools (K-12) membership will be set up on a rotating basis, with three-year terms being standard. The committee will, on policy matters, act as a sounding board for program innovations, liaison with other interest groups, and recommend policy and procedures in the total program of home economics education (useful and wage earning).

Other members of the committee represent Stout University, Mirro Aluminum Company, Board of Vocational Technical and Adult Education and Secondary School Administration.

"This may mean some delays, particularly during the evening rush, but not if we can help it. Morning and afternoon calls should go right through. And night rates are in effect throughout the weekend, from 7 p.m. Friday to 7 a.m. Monday."

Fathers, your day is coming June 15. Expect a call, Smith says. But he points out one difference: many of the calls to Pop are collect!

"Serving the Lakes Region Since 1894"

Volunteer Roberta Allain (North Chicago High School student) prepares ice water for Downey veteran.

Youth Can Do Volunteer Work

The opportunity for youth in the community to do volunteer work for the benefit of war veterans will occur again this summer under the direction of the Red Cross. Last year, a pilot program began, continued over the school year, and has expanded to include more areas for the coming summer.

Young adults, 15 years old or more, will work at Downey Hospital as lab technicians, in pharmacy, dietetics, nursing, office, library, therapy, dental, and recreation departments. A minimum of one day per week is asked of the volunteers. Training will be provided for the student assignment.

A campaign to recruit volunteers is now underway through

the area high schools. Youth Program chairman, Mrs. Gordon Juhl of Lake Bluff said, "For those interested in health careers, it provides firsthand experience not generally available. Other students also benefit from the positive, constructive work they accomplish."

Interested students are advised to contact Mrs. Juhl or Mrs. William Harlan, co-chairman also from Lake Bluff, the Red Cross office, 308 Julian St., Waukegan, or their high school counselor.

Pickus Will Head United Fund Drive

William H. Morea, president of the UCS and Wiley Atkins, the 1968 United Fund Campaign Chairman announced that Edward I. Pickus, President of Pickus Construction Company will head the 1969 United Fund Campaign.

Last year the United Fund raised \$656,190, a record month. "Pickus explained that over 200,000 Lake Countyans have benefited and used the services of the 26 United Fund agencies last year. The growth population in the past year has placed additional burdens on all the agencies. The expansion of services to Grayslake, Libertyville, and Antioch places a further strain on the United Fund to meet service commitments."

Ed Pickus has been active with B'Nai Brith and has served as Lodge and Regional President. He is currently a member of the Administrative Committee which serves eight states and four Canadian Provinces. He is a member of Temple Am Echod, Waukegan. He is a past President of the United Jewish Appeal. He is a member of the Board of Directors of the Downtown Council, Lake County Contractors Association and the Lake County Real Estate Association. He is a member of the Lake County Insurance Agents Association.

Pickus is a graduate of Waukegan Township High School, he went on to graduate from Lake Forest College with a degree in Business Administration. Pickus resides in Waukegan with his wife Jacqueline and their two children Ilene 10, and Ted 7. Pickus commented that he willingly accepted the Chairmanship of the United Fund Campaign, "because Lake County has been very good to me and my family, and this is one way of saying thank-you!"

Morea remarked "Ed Pickus is very well qualified to be our United Fund Chairman. He has been active in the Campaign for over six years serving as a solicitor, and working his way up to a Division Chairman and for the past two years he has been an Associate Campaign Chairman." "We are looking forward to another record-breaking campaign. In Ed, we have a leader who can and will excel all previous records. The United Fund is now the largest fund-raising organization for human needs in Lake County and I am pleased that Ed volunteered his leadership—because his ability matches his task."

Hollen Wins Degree At Michigan School

Brian R. Hollen, of Rt. 5, Box 236, Antioch, was one of 1,724 students at Western Michigan University awarded a degree at the end of their winter session April 19.

Hollen received his degree in science.

Inspect Property Personally

The new law which requires many interstate land sellers to register with the federal government does not lessen the need for personal inspection of any property being considered for purchase, the president of the Waukegan-Lake County Board of Realtors advised today.

Morton Engle explained that regulations implementing the Interstate Land Sales Full Disclosure Act went into effect April 23. Under these regulations, sellers of 50 or more unimproved lots must, in most cases, file a detailed statement of record or registration statement with the newly formed Office of Interstate Land Sales Registration in the Department of Housing and Urban Development.

"It is important for would-be purchasers to realize that this new law is designed to be a disclosure statute, and nothing more," Engle declared. "There is a tendency on the part of the public to assume that because the federal government agency has cleared a registration statement, the judgment of the government is that the property for sale is reasonably priced. This is erroneous."

The new law merely assures that the purchaser has all the facts about the property available to him before he enters into a transaction. It is still the responsibility of the buyer to study the data and make his decision accordingly.

"We members of the National Association of Real Estate Boards have for years advised property buyers to inspect personally any land they are considering buying. "What is more, this advice is just as valid now, even with the new full disclosure law in effect, as it ever was."

Engle commented, "The success of the new Interstate Land Sales Full Disclosure Act as another consumer protection law will depend on the restraint exercised by developers, the government's land sales registration office, and the public."

"The best assurance for the buyer that he is getting his money's worth in any real estate transaction, however is personally to inspect the property and to confer with a professional in real estate."

"Whether buying or selling real property, it is wise to see a Realtor, for in order to use that term, registered in the U. S. Patent Office, a real estate practitioner must be a member of the local and state boards and of the National Association of Real Estate Boards. More important to the real estate seller or seeker, a realtor subscribes to a strict code of ethics."

Peace Corps Test Set For May 17

Antioch area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m. on Saturday, May 17, at Room 1154, U.S. Customs House, 610 Canal St., Chicago.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. The test requires no preparation and is non-competitive; an applicant can neither pass nor fail.

Persons interested in serving with the Peace Corps must fill out an Application, if they have not already done so, and present it to the tester before the test. Application forms are available from post offices or from the Peace Corps in Washington, D.C. 20525.

Fifteen thousand Volunteers are currently serving in Asia, Africa, Latin America and the Pacific Islands, working with the people of those nations in self-help projects ranging from food production to health to education. More Volunteers are needed for programs which will begin training soon.

ALLEDALE SUBJECT OF ST. PETER'S ALTAR AND ROSARY MEETING

St. Peter's Altar and Rosary Society held their May meeting in the Blue Room of St. Peter's, Monday, May 5.

Following a regular business meeting the program was turned over to Dean Beguhl, of Alledale, who showed a film entitled "Mrs. Jones Needs Your Help." A question and answer period followed the film. Refreshments were served to the 45 ladies who attended the meeting.

It's easy to place a classified—Just dial 395-4111.

Summer Camp Fund Campaign Is Set

United Cerebral Palsy of Greater Chicago has announced that its 1969 six-week summer day camp program for handicapped children will begin on Monday, July 7. The program is open to all children with cerebral palsy, between the ages of five and 15, who live in Cook, Lake, DuPage or Kane county.

The aim of the program is to give the handicapped child the same opportunity for fun, companionship and healthy recreation as the non-handicapped child. At the United Cerebral Palsy camps activities are adapted to the children's ability level, thus making it possible for every child to take part, despite his handicaps.

The programs are under the guidance of specially trained counselors who understand the problems of the handicapped child. To provide maximum care and safety there is one staff member for every four children.

Among the program activities are swimming, field sports, games, nature hikes, arts and crafts, rhythm bands, special events such as trips to the zoo and Indian Village, picnics and open houses.

There are five (5) camps: at Avalon Park, 1215 East 83rd St., and Mozart Park, 3840 West Armitage, in Chicago; and three suburban camps, in Addison, Aurora and Glenview. Hours are 9:00 a.m. to 2:00 p.m.

Parents of handicapped children who have not been contacted by United Cerebral Palsy are invited to write or phone the Agency for more information. The Agency's offices are located at 343 South Dearborn St., Chicago, Ill. 60604.

NI-Gas Report First Quarter Has Increase

The first quarter of 1969 was a good one for Northern Illinois Gas Company, according to Marvin Chandler, chairman and president.

In a quarterly report now being mailed to the company's nearly 100,000 shareholders, Chandler said all phases of the utility's business showed good increases.

Revenues for the first quarter were up six per cent over the first quarter last year, while earnings were \$1.53 a share as compared to \$1.40 a share for the same period last year.

Residential revenues, the NI-Gas chief executive reported were up three per cent; commercial revenues were up 13 per cent; and industrial income was up six per cent.

Chandler told shareholders that their May 1 dividend payment of 42 cents a share, based on a previously declared new annual rate of \$1.68 per share, represents an increase of five per cent over the prior rate. He said this is the eleventh consecutive year the NI-Gas common stock dividend has been increased.

Stockholders were also informed that beginning May 2, NI-Gas common stock will be listed on the New York Stock Exchange and the Pacific Coast Stock Exchange, in addition to the Midwest Stock Exchange where it has been traded exclusively for the last 14 years.

A proxy statement that accompanied the quarterly report said the company's annual meeting will be held at 2:00 p.m. on Tuesday, June 3, at the NI-Gas general office located at the East-West Tollway at Route 59, DuPage County. The present eleven directors are slated for reelection.

N.Y. Exchange Okays NI-Gas

Northern Illinois Gas Co. reported that it had been informed by the New York Stock Exchange that its application to list its common stock on the exchange had been approved. Trading was expected to begin Friday, May 2.

William J. Crowley, NI-Gas executive vice president, said trading also began the same day on the Pacific Coast Stock Exchange. The company's stock will continue to be listed on the Midwest Stock Exchange.

Northern Illinois Gas Co. is owned by almost 100,000 stockholders and has 11,637,573 shares of common stock outstanding. The utility serves more than one million customers in northern Illinois outside Chicago.

Dudley Sheehan On Honors List

Dudley E. Sheehan has made the honors list for the winter quarter at Wabash Valley College, Mt. Carmel, Ill., it has been announced.

Lake Forest Sponsoring Math Seminar

Lake Forest College will sponsor a special seminar for high school mathematics teachers during the next academic year. The in-service institute has been made possible by a \$5,000 grant from the National Science Foundation.

The course will be held weekly from October 9, 1969 through April 23, 1970. It will be conducted every Thursday after normal school hours by Dr. Robert J. Troyer, associate professor of mathematics at Lake Forest. The seminar will concentrate on the field of geometry, using new material developed by Dr. Troyer.

Enrollment will be limited to eighteen teachers from the Chicago metropolitan area, and preference will be given those with three years secondary school teaching experience. Travel and book expenses will be paid by Lake Forest College through the grant.

Graduate credit will be given, and at the conclusion of the seminar, letters will be written to supervisors of the participants, recognizing accomplishments in the seminar.

VOLUNTEERS TAG FOR ALLEDALE

Some 94 volunteers representing Alleddale School for Boys participated in the Children's Benefit League of Chicago and Suburbs' Annual Tag Day. The \$1,400 raised by these volunteers benefit the work of rehabilitating disturbed boys at Alleddale.

The local women, under the direction of Mrs. B. Botsford Young, Jr., General Tag Day Chairman, were Mrs. Donald Amundsen and Mrs. Dorothy Morgan, St. Stephen's Lutheran Church of Antioch; Mrs. Theodore Flanagan, Mrs. Martha Ott, Mrs. Sharon Berthold, Mrs. Iva McParlane, Mrs. William West, Mrs. Marilyn Priebe, and Mrs. Richard Fisher from Trinity United Methodist Church of Lindenhurst and Mrs. Pat Brandt, Mrs. Marilyn Clemens, Mrs. Jean O'Neill, and Mrs. Beverly Richel from St. Angela's Guild of St. Gilbert's Catholic Church in Grayslake.

4-Hers To Show Off Projects

Tuesday, May 20 will be a big night for the Sequoit Suzies and Warriors. It is their Achievement night.

It is a night for the parents to see the projects the members have worked on all year.

There will be demonstrations and talks as well as a style show. The projects this year range from Gun Safety to Flower Arranging to Cooking.

The 4-Hers will exhibit these projects, plus many more in the Blue Room at St. Peter's School at 7:30 p.m.

Instructors and discussion leaders include faculty members of area instruction and members of business organizations.

Destroyers Doing...

(Continued from page one)

selves suddenly in the ocean during these hazardous evolutions.

Search and rescue operations are another job destroyers handle. Alerted that a plane is having trouble, the destroyers race to the rescue.

Vietnam is not the only place in the Western Pacific where Navy destroyers are on the job. They patrol the Straits of Taiwan between Formosa and the Communist mainland and operate periodically with Republic of Korea naval units and other SEATO member nations.

While guarding the Pacific approaches to the U. S., First Fleet destroyers gain the experience for upcoming Western Pacific deployments.

Destroyers earned much of their reputation during the two world wars as killers of enemy submarines. Today their anti-submarine warfare capabilities are even more formidable.

Since their World War I debut, the destroyers' 65-year heritage has been one of efficiency, dedication and heroism. They're continuing these traditions today in the vastness of the Pacific.

Where The Boys Are

NEWPORT, R. I., April 11—Navy Ensign Terrence J. Elfers, son of Mr. and Mrs. Earl H. Elfers of Trevor, Wis., and husband of the former Miss Jane K. Zaccard of 1537 Pheasant Ave., Richmond, Ill., received his officer Candidate School (OCS) at Newport, R. I.

His graduation represented the successful completion of 18 weeks of intensive training in the military and academic subjects of naval organization, tactics, naval engineering, seamanship, weapons and navigation.

This program insured that he was among the most qualified who earned their commissions and made him of early use in the U. S. Naval Service.

He will report for duty to The Commanding Officer Naval Security Group Activity, Galeta Island, Canal Zone.

The Officer Candidate School is now 18 years old and has graduated over 60,000 students from over 120 classes since 1951. Ensign Elfers is a graduate of the University of Wisconsin, Madison, Wis., and entered the service in November 1968.

WICHITA FALLS, Tex.—Airman William H. Smith, son of Mr. and Mrs. Charles W. Smith of Rte. 5, Antioch, Ill., has been graduated from a U. S. Air Force technical school at Sheppard AFB, Tex.

He was trained as a jet aircraft mechanic and has been assigned to a unit of the Tactical Air command at Luke AFB, Ariz. The airman is a graduate of Antioch Community High School.

John A. Van Haecke, son of Mr. and Mrs. Elmer Van Haecke, Sr., Rt. 2, Antioch, has been promoted to airman first class in the U. S. Air Force.

Airman Van Haecke, an administrative specialist at Perrin AFB, Tex., is assigned to a unit of the Aerospace Defense Command.

The airman, a 1967 graduate of Antioch Community High School, attended the University of Illinois.

His wife, Patricia, is the daughter of Mr. and Mrs. Louis P. Morjal of Rt. 2, Antioch.

April 29, U.S.S. Enterprise—Aviation Ordnanceman 3rd Class Robert L. McKeand Jr., USN, of Route 1, Salem, Wis., is serving aboard the nuclear-powered attack aircraft carrier USS Enterprise with Task Force 71 in the South China Sea.

The task force was established immediately upon notification of the shooting down of a Navy EC-121 reconnaissance aircraft by the enemy over North Korea.

Task Force 71 comprises more than 20 ships including four aircraft carriers, two guided missile cruisers, a heavy cruiser and a number of frigates and destroyers.

USS ENTERPRISE — Aviation Electronics Technician Third

MOOSE TOPICS

By Lillian Birdsall

Over 100 persons were present at the Antioch Moose Home Saturday evening, April 26, to watch past governor Arthur LaFlamme install the newly elected officers of the lodge: Jerry Kusch as governor, Jerry Stoen, Jr. governor Dick Jorgensen prelate, Bob McDonald treasurer, Leonard Kohl, 3 year trustee, Claude Anderson 1 year trustee, Bruce Borchardt, sgt.-at-arms, Bob Matthews, sgt.-at-arms, Robert Anderson Jr., inner guard and John Roach as outer guard. Continuing officers for the year are Scotty Birdsall who fills the chair of past governor, Michael Phillips chairman, board of trustees and Arthur Anderson, secretary. The new officers officially took over their responsibility on the first day of May.

Taking part in the installation ceremony were, installing governor, Arthur LaFlamme, installing sergeant-at-arms, Henry Grewe, and installing prelate, Lester Palmer. Assisting at the piano was collegian, Gladys Schroeder and assisting as honored escorts were collegians May Palmer, Alice Young, Gerry Mark and Harriet Grewe. A smorgasbord was served to all attending members and friends after the ceremony and most of them stayed to celebrate the occasion and dance to the music of the Brylinke band which followed. Jerry Kusch is one of the youngest governors that was ever installed at Antioch Moose.

District Nurses Set Last Meeting

The 16th District Illinois Nurses' Association will hold its last business meeting of the year. The meeting will be held at 7:30 p.m. at the Black Angus Restaurant in Gurnee. Cocktails will be served at 6:30 p.m. and dinner at 6:30 p.m.

The annual reports from the District officers will be presented, election of officers will be held, and the evening entertainment will be provided by exchange nurses from the Philippines.

Class Norman L. Van Rooyen, USN, son of Mrs. Ida M. Wysnolod of 163 Fifth Ave., Route 5, Antioch, is serving aboard the nuclear-powered attack aircraft carrier USS Enterprise with Task Force 71 in the South China Sea.

The task force was established immediately upon notification of the shooting down of a Navy EC-121 reconnaissance aircraft by the enemy over North Korea.

Task Force 71 comprises more than 20 ships including four aircraft carriers, two guided missile cruisers, a heavy cruiser and a number of frigates and destroyers.

Members of the Spanish department of Antioch High School get ready for the big Fiesta which has already been sold out. From left, Ed Krumpo, Cheri Dalgaard, Kathy Mallory, Ainsley Brook, Barbara DeYoung, Alana Nelson and Cindee Pedersen will all participate.

Antioch 'Fiesta' Sold Out

The fourth annual Fiesta sponsored by the Spanish department at Antioch Community High School is sold out two weeks ahead of the May 14 date.

This yearly event, held this year May 14 in the high school cafeteria, is anticipated by students, parents and friends of the Antioch Community High School for several reasons. The main factor is the increasing of the Suraya Brook Scholarship Fund

which makes it possible each year for a deserving Senior to continue the study of Spanish in college or a university. This most worthy fund has aided five students to date.

The program presents Dr. Harry Babbitt of Oak Park who will show his exciting films of the Festival of San Fermin of Pamplona, Spain and also present the dancers Teresita Wong and Victor Magallon performing their native

dances of Panama. Music, games and the breaking of the pinatas all contribute to a stimulating evening's entertainment.

If you have not purchased tickets, we are sorry. Put this worthy event down on your May 1970 calendar. Remember the Suraya Brook Scholarship Fund Fiesta presented by the Spanish department of Antioch Community High School.

Legion Auxiliary

By Del Jahneke

At a recent meeting of the 10th District American Legion Auxiliary, held in the Lake Zurich American Legion Home, three \$25 U. S. Savings Bonds were presented to the first place winners of the annual Americanism essay contest, in the three Class categories.

The winners were: Crisi Nichols, a Carmel High School senior, Class III; Henry Renken, son of Rear Admiral Henry Renken, Great Lakes Naval Station, a North Chicago High School sophomore, Class II; and Brian Mathiesen, an 8th grader at Warren Newport School, Class I.

A substantial sum was contributed to the CARE-MEDICO program for Malaysia. Last year, the national American Legion Auxiliary, through donations from units throughout the nation, constructed a two-story, fifty bed maternity addition to the hospital at Gembak, Malaysia. This year, they are furnishing this wing, and providing badly needed medical equipment. Mrs. Charles Knesely, Lake Bluff, is the 10th District's Foreign Relations Chairman, in charge of the District's participation in this project. Mrs. Lester Zitkus is the Antioch unit Foreign Relations Chairman, and she reports that the Antioch Auxiliary has donated to this program, and also had colored slides on Malaysia shown at a unit meeting.

There was a Poppy Hat and Poppy Corsage Contest, and the winners were selected by the 10th District Legion Officers, guests of the Auxiliary that evening.

A memorial service was con-

ducted by Mrs. Thomas Rizzo, Lake Zurich, District Chaplain, in commemoration of 20-deceased members. In the absence of Mrs. F. A. Swenson, Antioch unit chaplain, Mrs. Ray Rathmann took part in this ceremony. The Antioch Unit lost one member this past year—Mrs. Nason Sibley, a loyal member of long standing.

Mrs. Bernard Stadick, District Community Service Chairman; Mrs. Ray Rathmann, District Treasurer; Mrs. Edward Jahneke, District Communications and Publicity Chairman; Mrs. Bernard DeVries, unit 2nd Vice President; Mrs. Frank Kennedy, unit Secretary; and Mrs. Walter Hills, unit Child Welfare Chairman, were in attendance at this meeting.

Approximately 200 persons were present, with Mrs. Richard Brady, Gurnee, District Director, officiating as the presiding officer.

The Antioch American Legion Auxiliary No. 748 will hold its Gold Star Party on Friday, May 9, at 8 p.m., at the Antioch American Legion Home. Mrs. Bernard Stadick, President, will conduct the brief meeting.

Gold Star Chairman Mrs. Earl Horton has promised a lovely affair for the unit's seven Gold Star members. They are, Gold Star Mothers Mrs. L. C. Scott and Mrs. Myra Randall; Gold Star widow Mrs. Torberg Nelson; and Gold Star sisters Mrs. Scott Birdsall, Mrs. George Swenson, Mrs. Ollie Tweed and Mrs. Ralph Fields.

Mrs. Stadick will appoint the chairman of the Nominating Committee, and the other four members will be elected from the floor.

The Antioch Unit lost another fine member when Mrs. Ben Miller passed away. Until she was incapacitated by ill health, "Tillie" was a devoted, hard working auxiliary member of many years' standing. Those who knew her in the past will miss her very much.

Mrs. Ray Rathmann and Mrs. Edward Jahneke attended the 10th District Past Presidents' dinner party, held at the Midlane Country Club, on April 30th. They enjoyed the dinner and the entertainment, which was hearing the Auxiliary Singing Quartet from Twin Lakes, Wis., the 1968 champions. An unexpected pleasure was the presence and the excellent speech of Mrs. Stanley Lefgren, Des Plaines, Junior Past State President. Mrs. Lefgren was married on May 3rd to Walter Wiles of Chicago, an attorney and Past First Division Commander of the American Legion.

The chairman for the Gold Star party is Mrs. Earl Horton, and her committee members are Mrs. Al Sodman, Mrs. Barney Nevelier and Mrs. F. A. Swenson.

Whitsunday Service Set

St. Ignatius Church, 983 Main St., Antioch, will hold Whitsunday Mass at 8 a.m. and 9:30 a.m. The day will be observed as a Parish Day and will include a picnic at Fox River Park. All of the parish organizations will be involved in some way on this day.

By Lillian Birdsall

Mr. Bloyce Wingert and his assistant, Jack Mazzuca of the ESSA (the Environmental Science Services Administration), entertained the Women of the Moose Thursday evening, May 1, as guest of the membership chairman, Helen Lovell. A colored film was shown on the procedure for reporting a severe storm, the tornado. The movie described what it was, when and where it can occur, the destruction it can cause and the ways and means by which one can protect themselves in the event a tornado does strike. No community is ever entirely free from the threat of a tornado and the information that was given by Mr. Wingert following the film was most helpful. Mr. Mazzuca passed out literature to all the attending members that was of added interest to them.

Following the entertainment program, the senior regent proceeded with the enrollment of new members. They are as follows: Emily Huber, home chapter, sponsored by membership chairman Helen Lovell; June Hull, home chapter, sponsored by Estelle Gatch, Loretta Primus and Mitzi Cernak, both regulars and both sponsored by Jr. Graduate regent, Jerri Polson; and Roberta Battaglia, also a regular, sponsored by Ella Mae McDonald. Marie Biehl and Lorraine Rentsch were awarded their chapter pins for attending three consecutive meetings. Senior regent Shirley Gehrls welcomed the new members and explained what they had to do to receive their pin.

The chapter Luncheon which had been previously scheduled for the end of May, has been changed to June 7th. The Rhythm-Kings will supply the music for dancing on that evening.

The Las Vegas night will be held at the Antioch Moose Home this Saturday, May 10th, starting at 8 p.m. All members and their friends are invited to attend and refreshments will be served.

Twenty-five co-workers of the Women of the Moose boarded the charter bus that took them to Madison, Wis., Sunday morning, May 4th, to attend the Academy of Friendship session which was held at the Holiday Inn number 2. Entering the second degree for the Women of the Moose from the Antioch chapter were Beatrice

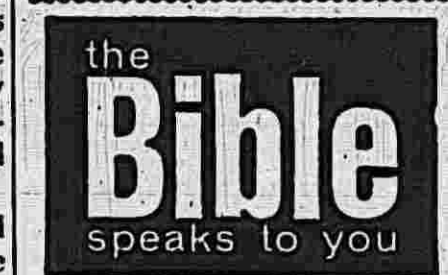

Donald E. Walsh, of RFD 1, Box 899, Antioch, was awarded a bachelors degree from Dominican College, Racine, Wis.

Phillips, Sally Whitney, Camella Kohl, Marge Saugstad, Lydia Pedersen, Pat Sperling and Bernice Rosquist. Each one of these girls served as chairman for Jerri Polson when she was senior Regent. Following the session, all the girls went to the Fireside Restaurant in Fort Atkinson for dinner.

GOOD IDEA

Three Chinese gentlemen stepped up to a local bar. The first ordered Mai Tai sour, the second a Honey Wong on the rocks. The third, however, declared, "Nothing for me, thank you. I'm pulling the rickshaw."

Christ Jesus helped people let go of their fears; and he healed disease as proof of God's power over it. Listen May 11 at 9:30 a.m. to "JUST WHAT IS DEVELOPING?" on WAIT, 820 kc.

Eastern Star Meets May 8

The regular meeting of Antioch Chapter, Order of the Eastern Star will be held Thursday, May 8th, at which time Mothers of the membership will be honored.

On Saturday, May 10th, the Chapter will be having a rummage sale in the basement of the Masonic Temple. Please bring all clean, usable items to the Temple at the stated meeting, or on Friday.

Worthy Matron Marilyn Larentz and Worthy Patron, Larry Gilo served in the East at Sorosis Chapter in Grayslake, for Friends Night, May 6th, and Sophie Schabow served at Associate Conductress. They were accompanied by many members of Antioch Chapter.

TWILIGHT DRIVING

Twilight is a beautiful time of day, but it can be a tricky period for the motorist.

When you're driving into the setting sun, your speed should be reduced to compensate for the reduced visibility the low sun creates. Sun glasses help to overcome this hazard, but nothing takes the place of a reduced, safe speed.

GOOD CITIZENS BUILD BETTER COMMUNITIES

Citizenship involves more than casting a ballot, attending a civic club meeting, and obeying the law. Citizenship means wholehearted, day-to-day support of both government and the civic and philanthropic agencies which work for community improvement.

(Name of agency or project) benefits your community and—directly or indirectly—benefits you and yours. And your help is appreciated, needed and desired.

Help, won't you? Welcome Wagon

If you're one of the thousands of homeowners who'll say goodbye to their old furnace this year, here are 5 things you should know about electric heat.

One. When you have an electric heating system in your home, you take warmth and comfort for granted... because electric heat rarely, if ever, needs repair or adjustment. It just doesn't grow old. In fact, some manufacturers guarantee their electric heating equipment for the life of your house.

Two. With electric heat, there's no flame or combustion that can draw in cold air from the outside. You eliminate drafts around your ankles and cold spots in your house.

Three. You should know, too, that the most modern heat is also easy to install... because anywhere you can run wire, you can heat with electricity.

Four. Electric heat costs less than you may have been led to believe. Actually less than \$200 for an average 6-room home in the Northern Illinois area.

Sound as if we're trying to convert you? Right... and that brings up Number Five. Converting to electric heat is simple... because there are several different systems available to fit any special requirements you may have in your home.

So now that you're interested, why not give our nearest office a call, and ask for Tom Rogers. Or, tear out the coupon, and find out just how easy it is to switch to the most modern heat there is. Electric heat. Commonwealth Edison Company

WOMEN'S CLUB MEETING

The Lindenhurst Women's Club will meet tonight, May 8, at 8 p.m. in the Civic Center on Old Elm Road. All women in Lake Villa Township are invited to attend. A film on narcotics will be shown, if a speaker is available.

Members are reminded to circle on their calendars Friday, May 16, the date of the annual Mother-Daughter Night.

MEN'S CLUB MEETING

The Lindenhurst Men's Club met May 1. All men in Lake Villa Township are invited to join the club. Meetings are held the first Thursday of every month at the Lindenhurst Civic Center on Old Elm Road. Joe Cassidy is president, but in his absence this month, Jim Walsh, vice president will preside.

The Las Vegas Night, held recently was termed a howling success. Three hundred sixty-nine people attended.

MEN'S CLUB
Jim Walsh, vice president, presided over the Lindenhurst Men's Club meeting last Thursday evening due to Joe Cassidy being in the hospital. (He came home Friday afternoon). Plans were made to resand and

poxy finish the upstairs floor of the Civic Center, with some of the proceeds from the Las Vegas night, held the week before. It was well attended, and the committee and club thank all for helping to make it a success.

There will be a meeting this week of the Building Committee to decide what other improvements are needed. Thanks to Thor Neumann, who tiled the civic center kitchen floor himself.

One hundred and sixty dinners were served at the spaghetti dinner Sunday afternoon.

The annual picnic for the members and their families will be held June 1 at Van Patten Woods on Rte. 173, just east of Rte. 41. Bob Bunkelmann is in charge.

Fifteen members signed up to play on a soft ball team being formed for members.

HOSPITAL PATIENTS
Joe Cassidy, president of the Lindenhurst Men's Club, is a patient at Victory Memorial Hospital.

Mrs. Hilda Huntington is also a patient at Victory Memorial. She underwent surgery last Thursday.

NIGHT OUT
Mrs. Betty Kidendall of Venetian Village, Mrs. Evelyn Anderson of Deep Lake and Mrs. Bernice Bernau were among the 58 ladies who attended the Waukegan News-Sun's dinner-theatre party recently in Chicago.

VISIT GREAT LAKES

Seventeen members of the Lindenhurst Women's Club visited Great Lakes Naval Hospital April 25, with Mrs. Jennie Volpentesta chairman. They played bingo with the patients and awarded 19 model kits and 29 gifts. Some of the members baked and donated 8 dozen cupcakes, and Mrs. Sokup and Mrs. Myslinki donated 36 bags of potato chips. They also distributed oranges, bananas and apples.

CHRISTOPHER OELERICH HOME ON LEAVE

Christopher Oelerich graduated from Fort Rucker, Ala., as a Warrant Officer Helicopter pilot on April 20. His mother, Mrs. Donald Oelerich of Rte. 59, Lake Villa and her friend, Mrs. William Valters of Lake Villa, flew down to attend the ceremonies. Christopher has a 20 day leave before he leaves for Vietnam on May 17. Christopher graduated from Prince of Peace School in 1962; Calmel High School in Mundelein in 1966 and attended Robert Morris College in Chicago for a year. He enlisted in the Army Air Force May 17, 1968 and will be on his way to Vietnam just a year later.

FIFTH DAUGHTER

Mr. and Mrs. William (Marilyn) Beller, 1110 Elm, Lake Villa, welcomed their fifth daughter at Victory Memorial Hospital on May 1. The little princess has been named Barbara Marilyn. She weighed 8 lbs., 12½ oz. at birth.

FIRST CHILD
Mr. and Mrs. Ernest Sigler, 2500 Magnolia Ln., Lindenhurst, welcome their first child at Highland Park Hospital on April 19. Little Debra weighed 6 lbs. 15 ozs. at birth.

STAMPS NEEDED

Parishioners of Prince of Peace Church are asked to donate stamps of all kinds. They will be used to buy prizes for the Summer Festival. This will cut down the overhead on the Festival, and make the proceeds larger for the school fund. There will be containers at the doors of the church where the stamps may be dropped.

BIRTHDAYS

We wish a happy birthday to Bruce Deibaugh, who will be 6 years old on May 10, and Brian Deibaugh who will be 7 years old on May 11; Danny Anderson, 2 years old May 14; Sheryl Lynn Smith 3 years old May 8; also celebrating birthdays this month are Peggy Finley, John Selzer, Rose Marie LaPaglia, Lillian Peterson, Lori Anderson and Scott LaChance.

Happy birthday to Judy Cook, Dan Powell, twins Karen and Sharon Shirk, Denver Shore, Daniel Michael Shore, Julie Ann Ropers, Donald Tuttle, Jean Marie Nauert, Marolyn Biaggi, Virginia Skrzynski, and Constance Bonney.

ANNIVERSARIES

Best wishes to Mr. and Mrs. Joseph Ziaja on their 15th wedding anniversary May 1; also Mr. and Mrs. Stanley Koziol on their 33rd wedding anniversary May 2.

FASHION SHOW AT SUCCESS

The Wig and Fashion Show sponsored by the Lake Villa P.T.A. was termed a success by the group. Two hundred people filled 20 card tables and the bleachers of the school gym. Thirty-six persons, from age 2 years up—modeled clothing, and five different wig styles were shown. The money realized from the project will be used to purchase something needed for one of the three schools in the district, Lake Villa, Hooper or the new Intermediate School.

BAPTIZED

Kerry and Ricky Leukhardt, sons of Mr. and Mrs. Richard Leukhardt, 103 N. White Oak Dr., were baptized at St. Joseph's Catholic Church in Round Lake by Monsgr. John Hayes April 20.

Edward Matejka, son of Mr. and Mrs. John Matejka, RFD 3, Box 656, Antioch, has been awarded a bachelors degree from Carroll College, Waukegan, Wis.

Social Notes

By Del Jahneke

Mrs. Joseph Danca, Beach Grove, gave a lovely bridal shower for her niece, Miss Barbara Balsamello, on Sunday, April 27th, at the Danca home. Thirty guests were present to enjoy a delicious luncheon, followed by a party. Miss Balsamello was the recipient of many beautiful gifts. Blush pink and white were the background and table color decor.

The Ray Rathmanns of Oakwood Knolls joined other members of Mrs. Rathmann's family, in a combination pot luck supper party and baby shower, at the home of Mrs. Edith Wenthe in Chicago, on Friday, May 2nd. Mrs. Ray Rathmann, Jr., of McHenry, was the surprised and delighted guest of honor at this family baby shower party, and received many useful and attractive gifts for the new "arrival-to-be".

The forty member choir of the New Tribes Bible Institute, Waukegan, Wis., gave an hour long concert at the Antioch Evangelical Free Church, on Sunday evening, May 4th. This choir is comprised of young men and women from Canada, England, California, Michigan and other neighboring states. Afterwards, cake and coffee were served to the choir, church members and guests present.

Watercolor Art Class Is Begun

Another class in instruction in Water color began on Wednesday, May 7, and continues for the next seven mornings, meeting in Pioneer Hall, 2424 Washington St., Waukegan, from 9:00-12 each morning.

The class is strictly for beginners and will be taught by Mrs. Gervais Hansen, a member of the Lake County Art League and an artist in her own right. For a place in the class call Mrs. Hansen at DE 6-5823.

William Rose To Present Program

William Rose of the American Red Cross will present the program for the Lake County Mothers of Twins Club on Thursday, May 15, 8 p.m. at the YWCA, 445 N. Genesee, Waukegan.

Rose will show a film on first aid followed by a question and answer period. Guests as well as members are invited to attend. Hostesses for the evening will be Mrs. Cecil Floyd, Mrs. Earl Leafblad, and Mrs. Howard Craft.

Garden Club Meets May 8

The Co-Op Garden Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington Street, Waukegan, on Thursday, May 8, at 7:30 p.m.

Harry Lynch will present a program on "Preparation of Soil and Quality of Vegetables and Flowers for Show Material."

Mrs. Francis Rutkowski, president, invites all "Green Thumbs" to attend. Refreshments will be served.

Projects Keep 4-H Youths Busy

Heading the list of the top 10 projects undertaken by the nation's three million 4-H youths are animal science, clothing, foods and plant science. Recent figures released by the Co-operative Extension Service show that youngsters also are very much interested in health and physical fitness.

In addition to animal and plant sciences, the application of scientific principles is a part of nearly all 4-H projects, says the Extension Service.

Recreation, engineering and safety are three more areas in which large numbers of 4-H members excel. Projects involving management and furnishings for the home show high enrollment, as does conservation.

Community service and personal development are a prime concern of today's 4-H'ers as well, judging from the more than 300,000 participating.

Most 4-H boys and girls spend their time on more than one project, as the survey shows. Boys may be involved in plant and animal sciences and engineering projects.

A girl may study plant science to make her horticultural project more meaningful. Or food science to get the most from her foods and nutrition projects. Overlapping areas are safety and conservation. Both affect the individual, the home, community and nation.

Specific programs—or projects—carried on under the 10 main categories have definite objectives that help develop skills and stimulate young minds to "clearer thinking," 4-H leaders point out.

For example, a youngster working on an entomology project (science) will gain new knowledge, improve his surroundings, and possibly "turn him on" sufficiently to seek a college degree and ultimately a career.

For further information about 4-H Club work, please contact David F. Smith, Assistant Extension Advisor, Agriculture, McHenry County.

Music Center Has Membership Drive

A family membership drive is underway by the Music Center of Lake County and is timed so that families joining now can participate at no cost in two special concerts in May. David Goodman, director, said today.

Robert Krebs, newly elected president of the not for profit fine arts school said he considers the drive for 100 new family members so important to the school and the community that he is chairman of the drive.

A family membership entitles a family to become a supporting patron of the school and to attend free many special concerts performed by leading artists. The funds help support the school, its scholarship and social service program for the needy, the elderly and others.

Krebs noted that many families have enjoyed participating in the cultural programs of the school for family members and many are doing this for the first time. A family membership costs only \$10, he said.

A membership will entitle members at no cost to hear vocalist Judy Sloan at 8:15 p.m. Saturday, May 10, in Temple Am Echod, 1500 Sunset, Waukegan. On May 18, outstanding music, dance and voice students of the school will participate in a student recital at the Jack Benny Junior High School, Waukegan starting at 3:00 p.m.

Membership also entitles a family to the school newsletter, to be kept abreast of all programs and to have a family membership card.

Krebs said a membership may be obtained at the school, located in Bowen Park, 1917 N. Sheridan Rd., Waukegan, or at the door of both concerts. Contact the school for more information.

Veterans Check Out GI-Bill Benefits

The G.I. Bill education and training program is the veteran benefit that most interests returning Vietnam era veterans.

This was confirmed by more than 23,000 such veterans who either mailed or personally brought to the Veterans Administration a reply card inviting them to check specific veteran benefits on which they wanted more detailed information.

The reply card was enclosed with a letter which the VA sent last December to recently discharged veterans reminding them of the various benefits to which they were entitled.

Education and training was checked on 67 per cent of the cards received from these 23,000 veterans.

The next most frequently checked benefit on which more information was desired was VA medical or dental treatment—58 per cent.

A close third at 52 per cent was the G.I. Bill home loan program. Employment ranked next at 39 per cent, followed by the VA hospital program (35 per cent), on-the-job training (33 per cent), converted Servicemen's Group Life Insurance (23 per cent), and service-connected disability compensation payments (13 per cent).

These statistics represent the per cent of times each benefit area was checked in relation to the number of cards returned.

Except for their greater interest in on-the-job training (44 compared with 31 per cent), disadvantaged veterans who had not completed high school before entering service expressed almost the same degree of interest in the various veteran benefits as veterans with a high school education or more.

All of the nearly 75,000 veterans now being returned to civilian life each month receive this veteran benefit information letter from VA.

Tri-State AMP Elect Officers

John E. Butterbrodt, Rt. 1, Burnett, Wis., was unanimously elected president of a newly named tri-state region of American Milk Producers, Inc., at a meeting in Chicago, April 28.

American Milk Producers, Inc., is being formed to merge an estimated 42,000 dairy farmers of the midwest and southwest into a single, regional milk marketing cooperative. The AMPI area includes four regions extending from Lake Superior to the Gulf of Mexico. The tri-state region includes Wisconsin, Illinois and Indiana.

Butterbrodt is first vice-president of Pure Milk Association. He has been serving as acting president of America's Dairyland Cooperative, an organization incorporated in Wisconsin to encourage mergers among dairy co-operatives.

Other officers of the tri-state region of American Milk Producers, Inc., were elected as follows:

First vice-president, Haven Rice, Rt. 2, Jamestown, Ind., president of Central Indiana Dairyman's Association, Indianapolis.

Second vice-president, Walter Schwock, Rt. 2, Merrill, Wis., a director of Antigo Milk Products Cooperative, Antigo, Wis.

Secretary, Lyman D. McKee, Rt. 4, Madison, Wis., president of Madison Milk Producers Cooperative Dairy, Madison, Wis. Treasurer, Avery A. Vose, Rt. 2, Antioch, Ill., president of Pure Milk Association, Chicago.

These five officers are among 11 dairy leaders elected to represent the tri-state region on the board of directors of American Milk Producers, Inc. The other six are:

Gregory Blaska, Rt. 2, Marshall, Wis., secretary of Pure Milk Association and director of PMA district 22.

Lyle F. Viney, Rt. 1, Evansville, Wis., director of PMA district 1.

Ray Weis, Rt. 1, Spencer, Wis., president of North Central Dairyman, Inc., Curtis, Wis.

James Baker, president of Burlington Cooperative Pure Milk Association, Burlington, Wis.

Keith King, Oneida, Ill., director of PMA district 21.

Harold L. Smith, Rt. 1, Akron, Ind., director of PMA district 18.

Antioch Student Featured In Play

Colleen Gross, daughter of Mr. and Mrs. Robert A. Gross, Antioch, will be featured in the new musical version of "Snow White and the Seven Dwarfs" to be presented by the Barst College Children's Theatre Saturday and Sunday, May 10 and 11 in the Drake Theatre on the campus, Lake Forest.

Miss Gross, an English major is a freshman at Barst.

Traffic Dangers Are High At Intersection

A large percentage of traffic accidents occurs at intersections. Obviously plenty of conflict exists when one road crosses another. The real problem here is people. Too many are unpredictable, especially behind the wheel. You can never be completely sure whether the other driver is going to stop or turn or pass or what! He may not even be sure himself, reminds the Lake County Safety Commission.

There are some things you can do to protect yourself from the unpredictability of people at intersections.

Never assume the other driver is going to do something. Instead, expect him to do anything at any time. Have your foot off the accelerator and on the brake pedal ready to take evasive action if necessary.

Let other drivers know by signal and position what you intend to do at an intersection. Get into the proper lane early, and use your turn signals well ahead of the intersection.

When you're turning left, yield to oncoming vehicles and keep your wheels straight while waiting to make the turn. This way, if someone rams you, you won't be knocked into the path of oncoming traffic.

Be alert for pedestrians caught in the middle of street by a light change. At an intersection your best offense against accidents is a good defense.

Be alert for cross streets that are through streets even though they "look" like they'd be stop streets.

Navy Seeking More Electronic Teachers

The Great Lakes Office, Interagency Board of U.S. Civil Service Examiners for Illinois, has announced that recruitment is continuing for Training Instructors in Electronics.

A new Civil Service examination announcement has been issued for grades GS-7 and GS-9, with annual starting salaries of \$6081 and \$9462, respectively.

The positions are located at the Electronics Technician Schools, Service School Command, Naval Training Center, Great Lakes, Ill.

Electronics Training Instructors are needed to teach Navy military personnel the principles of electronics ranging from fundamental laws through more obscure functions. This training is accomplished in both classroom and laboratory environments.

These career, Civil Service positions offer good working conditions in excellent government facilities, equal employment opportunity, excellent vacation and sick leave plans, and many desirable fringe benefits.

Full information and application forms may be obtained from the Great Lakes Office, Interagency Board of U.S. Civil Service Examiners for Illinois, Building 3400, Great Lakes, Illinois 60088.

Applications are also available at Federal Job Information Centers located in many large cities or at any post office where the new announcement No. CH-9-03G is posted.

Salem Central Band Will Give Concert

The Salem Central High School Band presented its annual spring concert on Wednesday evening, May 7. Senior French horn player Dan Threlkeld was featured soloist.

On Saturday, May 10, the band mothers of Central High School will have a rummage sale as well as a bake sale from 9 a.m. to 4 p.m. in the band and choral rooms and the public is invited to come around and "rummage". Proceeds will go into the uniform fund.

Central High School was represented by 9 students at the State Forensics Meet at Madison April 26. Three came home with an "A". They were: Mary Zwirsdas, 4 minute speech, "Teenage Suicides"; Betty Holloway, Significant speech, "Johnson's Anguish and Hope"; Robin Holmes, Declaration, "The Twist".

Mrs. Linda Ransom, forensics coach, accompanied the group to Madison.

Car Safety Check On Jaycee Agenda

The Lake Region Jaycees will be holding a free Safety Check in Antioch on May 24, the time and place to be designated at a later date.

Checked will be your auto's brakes, lights, steering, tires, exhaust system, glass, windshield wipers, horn and seat belts.

Spare a few minutes and may be help prevent an accident.

THE ANTIOCH NEWS—3
THURSDAY, MAY 8, 1969

NI-Gas Asks IGC For Rate Change

Northern Illinois Gas Company announced on April 16 that it has requested Illinois Commerce Commission approval for changes in the company's rate schedules. C. J. Gauthier, NI-Gas executive vice-president, said the result would be a net revenue decrease of approximately \$27,000 per year.

Gauthier explained that the proposal will affect three groups of NI-Gas customers. A \$158,000 per year reduction for low-income residential and commercial customers will result from lowering of gross charges—the charge which applies to bills paid after the due date.

A further savings of about \$56,000 annually will be gained by commercial customers using gas for air conditioning. The third revision would increase the minimum charge from \$1.00 to \$1.35 per month for residential customers who do not use gas for either hot water heating or space heating. The effect of this proposal would be an estimated \$187,000 annual offset to the \$214,000 in annual reductions.

The proposal asks that the rate changes become effective May 15, 1969.

Social Security Number Is Needed

It's a must, Secretary of State Paul Powell said today.

It's a must that the social security number be shown on a driver's license application, he explained.

From 800 to 1,000 applications are being returned every day because that item of information has been omitted, resulting in additional postage expense, more man hours for processing and delays for drivers seeking renewal of their licenses, Mr. Powell said.

The law now requires that the social security number be shown on the driver's license application and consequently applications lacking that information cannot legally be accepted, Secretary Powell said.

Persons who do not have a social security number should go to the nearest social security office and request that a number be assigned, Powell said.

Kindergarten Pupils To Register May 16

Emmons Grade School will hold its Kindergarten registration day from 1 p.m. to 3 p.m. on May 16 for the 1969-70 school year.

To register children must be 5 years old on or before Dec. 1. The registration will take place in the school gymnasium and parents are required to bring birth certificates of their youngsters plus pertinent health information.

There will be an opportunity for parents and children to meet the kindergarten teacher, Mrs. Trudy Petty and to take a tour of the kindergarten room.

Should there will be any questions prior to registration day, parents are urged to call the school.

Kenneth White Wins Blackburn Art Award

Kenneth A. White, son of Mr. and Mrs. C. C. White of Rte. 2, Antioch, has been named recipient of an award in Blackburn College's Work Program.

White, an art student, won his award in the Humanities Division graphics category.

The winners were announced at the college's annual Honors Dinner April 26.

Two-Year License Plates Move Along

Secretary of State Paul Powell's proposal to issue two-year license plates for passenger cars has been approved by the House Committee on Highways and Traffic Safety, and now moves to the House floor for further action.

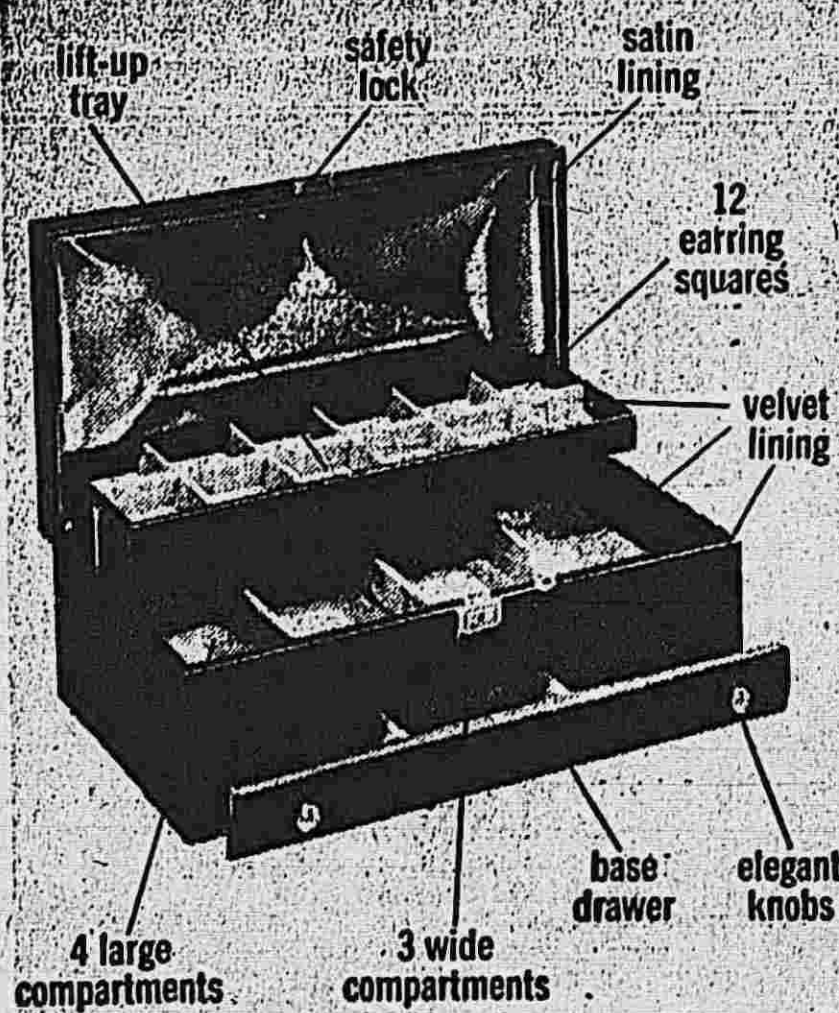

Under the plan, passenger car plates, starting with 1971 registrations, would be used for two years upon the payment of the fees for both years at the time application is made. It calls for no increase in present fees. Principal sponsor of the measure is Representative Clyde Chouteau of Anna.

Reduced expenditures for purchase of plates and decreased administrative operating expense in the Secretary of State's office will benefit the road fund by about \$10 million over a two-year period, Mr. Powell said.

As examples of reduced administrative costs, Secretary Powell said that in the second year of the registration period, there will be no cost for postage, no cost for additional personnel and no cost for printing applications.

SPORTS

THURSDAY, MAY 8, 1969

THE ANTIOCH NEWS-6

Paul Yuska comes home a winner in the 100 yard dash at the recent Lake County meet. Paul also set a record in the 220 yard dash.

Yuska Wins 220 In Record Time

Paul Yuska won both the 100-yard dash and set a record in the 220-yard dash last Saturday as the Antioch Sequoits participated in the annual Lake County meet with 18 schools taking part.

Yuska, who was voted the top performer of the meet set the record time of 22.6 in his specialty nipping a 10th of a second from the old record of 22.7.

The Sequoits made a creditable showing in the County meeting, finishing second in the Class B group to champion North Chicago. The team finished 6th overall. Class A champion was Barrington.

Other top performances by Antioch trackmen were Chuck Denman in the 2 mile, 5th place finish, Rick Nelson a fourth in the pole vault, Mike O'Neill a fifth place in the 440 yard dash, and a fifth place by Keith Church in the one mile run.

Other very fine performances were turned in by Doug Camp, a freshman, 17.3 in the high hurdles; a 7th place by Jim Polley in the shot put; the sixth place by the 880 relay team; a 7th place by the Frosh-Soph 440 relay team. Bob Osmond also did a fine job in the half mile with a time of 2:08.0.

Stated Coach Andrews: "It was our best performance in the Lake County since 1965 when we won the Class B championship. Our

boys did an outstanding job. Antioch should be proud of them. The coaching staff is real pleased. I know," added Coach Andrews.

The next big meet for the Sequoits is the state district meet at Forst View. This is the meet to qualify for the state meet.

The Antioch trackmen with a fine chance to qualify are: Paul Yuska, 100 and 220 yard dash; Rick Nelson, pole vault; 880 yd. relay team; Marty Romaine, Mitch Selwanbeck, Fred Koch and Paul Yuska; Keith Church, one mile run; Chuck Denman, 2 mile run.

Junior Bowling Is Successful

The State Bank of Antioch's first annual junior tournament was held Saturday, April 26 for junior and senior bowlers at the Antioch Bowling Lanes.

Most pins over average winner for the first three places were Hugh Beattie, 129 pins, Bruce Volling, 113 pins, and Steve Sodman, 101 pins.

For girls in the same category were Cathy Wysoglad, 123 pins, Janet Lemcke, 111 pins and

The qualifying times and distances needed to qualify are as follows:

100 yd. dash—10.1
220 yd. dash—22.7 Curve
440 yd. dash—51.0
880 yd. run—1:59.0
1 mile run—4:30
2 mile run—9:46
120 yd. high hurdle—15.2
180 yd. low hurdle—20.6 Curve
880 yd. relay—1:32
1 mile relay—3:29
Shot put—53' 0
Discus—150' 0
Long jump—21' 9
Pole Vault—12' 8
High jump—6' 1.

Koehler Speedway Winner

SUNDAY, MAY 3

Waukegan Speedway, May 4—Bud Koehler of Blue Island beat Ray Young to the finish line in Sunday night's late-model super stock feature at the Waukegan Speedway to become the sixth different feature winner in seven nights. Koehler has been racing for 31 years and has to be regarded as one of the top professional drivers in the Midwest.

Rick Kleich led the 30 lap feature for four laps with Bob Anzinger, Ray Freeman, Koehler and Ray Young right behind. In the fifth lap Anzinger's throttle linkage stuck wide-open and Kleich and Anzinger went spinning into the infield. Kleich recovered to finish seventh.

Freeman took advantage of the spin to move from third to first, but two laps later Koehler wheeled his 1967 Chevelle in front to stay. Young took second spot one lap later and the two raced bumper to bumper until the checkered. Young almost grabbed the lead in the sixteenth lap when Koehler was cut-off while lapping slower cars. Freeman finished third with Al Hagerty fourth and Jim Cossman fifth.

The special cash bonus which goes to the top point collector of the weekend was decided by the closest of margins as Young totaled 49 points while Koehler gathered 48 points with the help of 39 for the night. The margin turned out to be the third time in which Young bested Koehler.

Herb Artelt has had some hard luck on the last laps of races last weekend. Saturday night he crashed on the backstretch in the last lap of the semi-feature. Sunday night Artelt was running third going into the last lap of the second heat. Paul Heitz moved inside of Artelt and the two locked at full speed coming out of the second turn. Artelt's Chevelle bounced high off the backstretch wall and crashed down on the track with the engine blazing. Neither driver received more than bruises, but both cars were severely damaged and eliminated for the night.

Tom Reuss won the hobby feature after Jim Couch lost a wheel while leading with one lap to go. Chuck Chadwick was second with Dave Strimsan third.

SATURDAY, MAY 3

Defending late model stock car champion Jim Cossman of Waukegan recorded his first feature victory in six starts at the Waukegan Speedway Saturday night. Cossman, hard-pressed all the way by Harry Siminon of Blue Island, went into a wild slide on the final straightaway, took the checkered flag sideways and ended up backed into the home-stretch wall.

Another large crowd turned out on a chilly night to watch the super stock races on Waukegan's new asphalt surface. Ray Young of Chicago blistered the track with a new one lap mark of 14.83 to lead the largest qualifying field of the young season. Erik Johnson of Mundelein just missed the record with a 14.84 clocking, but roared from the back of the pack to win both the trophy dash and the fast heat in his 1969 Chevelle.

By the fifth lap Cossman and Siminon had opened up a comfortable lead with Bob Anzinger, Ray Freeman, Bud Koehler, Johnson and Young hanging bumpers in every corner for third position. In the fourteenth lap Anzinger's car faltered for a split second and both Johnson and Young moved by. Three laps later Young was in third spot.

As Cossman came out of the fourth turn on the 30th lap for the checkered flag, his car swerved and started a hair-raising slide down the homestretch, past the checkered flag and finally came to rest against the homestretch wall some 50 yards past the finish line. The remaining cars scattered in every direction to miss Cossman's careening car. Siminon collected second place money with Young third, Johnson fourth and Koehler fifth.

The Waukegan Speedway has scheduled several special events for the near future. On Friday night, May 16 the U.A.R.A. mid-gets will present their grand opening race for the 1969 season and it will be contested on Wau-

kegan's asphalt oval. Then on Saturday night, May 24 the Speedway will host its first 100 lap late model stock car championship event of the year.

Feature, 30 laps—Jim Cossman, Waukegan; Harry Siminon, Blue Island; Ray Young, Chicago; Bud Koehler, Blue Island; Ray Freeman, Crete; Al Hagerty, Libertyville; Rich Sundling, Chicago; Willie Winchester, Kenosha; Bob Anzinger, Antioch.

Rick Nelson goes up and over to set a meet record and tie the Antioch school record in the pole vault.

Nelson Sets Record In Pole Vault

The Antioch Sequoits traveled to Salem on Friday evening to participate in the 12 team meet.

Coach Andrews using underclassmen, decided to leave his top flight tracksters at home, stated, "the underclassmen did a fine job and are showing very good progress."

The reason for the top flight men left at home was for the Lake County meet on Saturday.

Antioch had two bright spots in the meet. Rick Nelson of Antioch set a record in the pole vault with a vault of 12' 2". The old record was 12' 1". The mile relay team, composed of Jim Olson, Marty Romaine, Fred Koch and Mike O'Neill placed 4th with a fine time of 3:40.6.

The meet was won by Oak Creek, a suburb of Milwaukee. The Sequoits finished far back with 8 points.

BOWLING

JIM BEAM

FRIDAY, APRIL 18

High team series: Team No. 2, 749-765-805-2319

Team No. 3 beat Team No. 4 two games.

Antioch Nine Wins Last Two Outings

The Antioch High School baseball team has won their last two outings, beating Grayslake 4 to 3 on April 25 and knocking off Wauconda 6 to 3 on April 29.

The Sequoits committed three errors in the Grayslake contest but still managed to pull it out with 4 runs and 6 hits, to Grayslake's 3 runs, 4 hits and 2 errors.

The winning pitcher was Ralph Zaneck while the loser was Tom Thompson. Zaneck struck out 8 and walked 4 in the winning effort.

In the Wauconda game the Sequoits were successful behind the pitching of W. Wells who struck out 10 and walked 2. Losing pitcher was T. Varsey.

Sequoits Nip Warren

The Antioch High School baseball team racked up another win last Friday in a thriller with Warren, emerging the victors by a 3 to 2 count.

Warren scored its two runs in the first on three hits and two errors, including a home run by Warren second baseman Ted Werenki.

Antioch came back with two runs in the fourth to tie up the score and they worked one home in the ninth for the win.

Bill Albano stroked a home run for the Sequoits.

Wilfred Wells was the winning pitcher, recording 12 strikeouts, while the loser was Jim Haynes. Wells now has a 3-2 record in the conference and a 4-2 record overall.

Little League To Open Its 1969 Season

Antioch Little League will open the 1969 baseball season Sunday, May 18, at the Antioch Little League field. Game time, 2 p.m.

A colorful ceremony is planned with a color guard and Mayor Raymond Toft throwing out the first ball.

Plan to make this day a memorable one. Cheer your team, cheer your boys, and help support Little League.

A meeting of the managers and officials will be held at 7:30 p.m. May 14, at the police station.

Dragaway Has First For Year

The National Association of Dragstrips "Gas Coupe, & Sedan Circuit" will be racing for the first time this year at the Great Lakes Dragaway.

This circuit consists of injected gas dragsters, roadsters, and stock cars that the highly modified in body design. They have "full race" gas burning engines that are capable of speeds from 130 to 150 mph.

They are popular because any year or make of car can be used and because they burn gas rather than nitro, there are more of this type of drag racing machine than any other.

Over 30 entries have already been received and this could easily be doubled by race day Sunday.

All "gas coupes and sedans" entered will be in the starting lineup at 2 p.m. Sunday.

This will be the last Saturday afternoon race of the year starting at 3 p.m. this Saturday. Beginning Saturday, May 10th the Saturday races will all start at either 6 p.m. for grudge racing for street races or 8:30 p.m. for major Saturday events.

The dragstrip is 20 miles south of Milwaukee at Union Grove, Wisconsin.

Bristol Hands Salem Its First Defeat

Bristol used timely hitting and a strong defense to hand the Salem Falcons their first defeat of the season.

Salem took the lead in the third as they scored three runs on five hits and a walk. The game remained this way until the sixth when Bristol scored four runs on five hits, a walk and two errors. Bristol added two insurance runs in the eighth to assure them of a 6-3 victory.

Tree Planting Is Successful

The Northern Illinois Conservation Club completed its 1969 school children's tree planting program, it was announced.

Students at Grass Lake School planted 300 pine trees and those at Oakland School planted 11, Lotus School 60.

Harry Stern, Dr. G. W. Jensen and Richard Waters were advisers from the NICC directing the planting program.

NATURALLY

Little Lucy had just returned from a children's party and had been called into the dining room to be exhibited before the dinner guests. "Tell the ladies what mama's little darling did at the party," urged the proud mother. "I frowned up," said Lucy.

Lions Club members work on the bath house at the Antioch Aqua Center. The weather was warm and sunny Sunday enabling the workers to complete their annual clean-up project season.

Lions Club members finish their work of readying the Antioch Aqua Center for another season of swimming. The pool opens May 30th.

Students Can Stretch Phone Money

Illinois Bell Telephone has come up with some hints on how college students can stretch their telephone dollar on long distance calls.

Here are a few simple guidelines:

—How you call: Station-to-station calls save most. That's when you'll talk to anyone. The calls you dial are all station calls. And calls you dial save time.

Person-to-person calls are just what they sound like: You'll speak only to a particular person, extension, or department. Such a call can cost about twice as much for the initial period as a similar station call—over the long distances. Of course, there are times when this call fills a need that's worth the cost . . . especially when you're trying to find a particular person or don't know when he'll be in. If you don't reach your person, there is —of course—no charge.

—When you call: Station calls cost less as the day wears on. They're highest during business hours.

It's smart to place station calls between 7 p.m. and 7 a.m. daily or all day Saturday and Sunday. It's also wise to make some calls after midnight if that's convenient. There's a real break on out-of-state calls of more than 354 miles when you dial them yourself and place them between midnight and 7 a.m. It's handy to call West at night, East in the morning. When it's midnight in the Midwest, it's only 10 p.m. on the West Coast.

The After-Midnight rate is a boon to some early risers. The early bird can call the East Coast at 6:30 a.m. and get this bargain without waking up someone because it's already 7:30 a.m. there.

Person-to-person calls are lower from 5 p.m. to 7 a.m. and all day Saturdays and Sundays on out-of-state calls.

The bargain night rate on both station and person calls apply all day on five holidays: New Year's,

DEATH NOTICES

FREDERICK J. THIES

Frederick J. Thies, 82 years old of Woodcrest Subdivision at Channel Lake, near Antioch, passed away Thursday, May 1, 1969, at 5:30 p.m. in Victory Memorial Hospital, Waukegan.

He was born Sept. 22, 1886 in Ontarioville, Ill., and had resided at Park Ridge, Ill., before moving to Antioch permanently in 1950, but had been coming here for 44 years in the summer time. He was a charter member of the Woodcrest Improvement Association, and was a member of the Grace Lutheran Church at Richmond. Mr. Thies had received his Masters Degree in music from the American Conservatory of Music in Chicago, and had been a music teacher all of his life.

He married Julia Fisher on Oct. 25, 1911 at Park Ridge and she preceded him in death on Nov. 7, 1963.

Survivors are one son, Fred J. Thies, of Fullerton, Calif., three

daughters, Mrs. Vivian Fiegel, of Park Ridge, Mrs. Agnes Van Patten, of Antioch, and Mrs. June (Herbert) Jackisch, both of Palatine, Ill., ten grandchildren and four great-grandchildren.

Funeral services were held at 1:30 p.m. Saturday at the Strang Funeral Home in Antioch. The Rev. Lawrence Wick of the Grace Lutheran Church at Richmond officiated. Interment was in Memory Garden at Arlington Heights, Illinois.

MARGARET M. WEBB

Mrs. Margaret M. Webb, 57 years old of Bassett, Wis., passed away at 7 a.m. Saturday, May 3rd at her home on County Trunk "F".

She was born August 18, 1911 in Oak Park, Ill., and had lived at Lily Lake, Wis., from 1948 until moving to Bassett in 1955. She married Robert Webb on Jan. 5, 1946 in Chicago.

She is survived by her husband Robert Webb of Bassett, her father, George Terrill, Sr., of Camp Lake, Wis., two brothers, George Terrill, Jr., of Oak Park, Donald Terrill, of South Holland, Ill., and one sister, Mrs. Thomas (Ruth) Waters of Oak Park.

Funeral services were held at 11 a.m. Tuesday at the Strang Funeral Home in Antioch. Interment was in Salem Mound Cemetery near Silver Lake, Wis. The Rev. Donald Cobb of the Antioch United Methodist Church officiated.

DRIVING FOR TRAFFIC SAFETY

by Paul Powell
Secretary of State

It's summer and those warm nights and sunny weekends bring out motorcycles in droves. The same condition also brings forth the auto in like numbers, filled with Mom, Dad, Grandma and the kids. The combination becomes a bit too much for the already overtaxed highway.

Each mode of transportation can be equally enjoyable for the respective participant. Each

pays his share of the taxes to maintain that piece of highway he occupies and he expects to be able to use it at will.

This is the way our system is set up and we agree it goes along quite well. Until a cycle, it may be any size, and an auto both decide to occupy the same bit of pavement at the same time. The result is always disastrous with the cyclist coming out on the short end.

We try to legislate safety for both the auto and the cycle. These things all help. But, they have to have help from the individual at the wheel . . . of both vehicles.

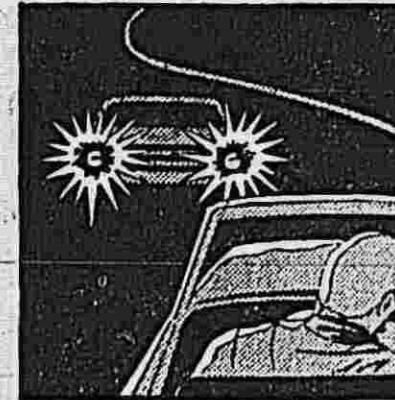

Give the motorcycle a break . . . they need all the help they can get. Common courtesy will get you both much further and with far less strain to the nervous system of both.

There are many good suggestions for both drivers in Rules of the Road. For your free copy of "Rules of the Road", write to Paul Powell, Secretary of State, Springfield, Illinois 62706.

Do you find those trips at night are giving you more trouble than they used to? Has it occurred to you that your driving habits at night should be changed?

Chances of a flaking or serious injury smashup are more than doubled from sunset to sunrise. During these hours, accidents account for three out of five traffic deaths despite the far fewer cars on the road.

You can learn to minimize the damaging effect of dark-

ness on your vision and alertness. The point is to adjust seeing conditions and reactions to entirely different problems and cues.

To cope with the dark's special problems, make these changes in your driving habits:

Expect even the simplest driving maneuvers to take longer.

Set your speed to the range of your headlights!

Protect your eyes!

Look to the sides of objects rather than straight at them.

Study all illuminated areas ahead before passing!

Avoid steady driving around your usual bedtime!

And most of all . . . SLOW DOWN!

For your free copy of "Rules of the Road", write to Paul Powell, Secretary of State, Springfield, Illinois 62706.

The Siamese fighting fish has been selectively bred for fighting and endurance by the Siamese for the past century. The fish attack one another with their small sharp teeth, tearing fins and scales. They might fight for as long as 15 minutes.

UNDER THE SIGN OF AQUARIUS

Those born between January 20 and February 18 are under the sign of Aquarius, with Saturn and Uranus as the ruling planets. The birthstone is the amethyst, symbol of sincerity.

Aquarius people are a combination of optimism and good will. They are interested in everything and everyone. They have the ability to see the brighter side of every situation. They are good conversationalists because they listen and applaud. They are good workers because they enjoy doing. They are good friends because they are loyal and understanding.

Aquarius people draw smiles

from perfect strangers when they meet on the street. Aquarius people are born diplomats, they can consort in enemy camps without incurring the suspicion of either. To sum it up they have the ability, because of their friendliness and cheeriness, to make others feel friendlier and happier in their own right when they are near them.

It says, here.

The dorado (coryphaena hippurus) feeds on flying fish. These often take to the air to escape, and the dorado often swims as fast as the flying fish can fly, and snaps up the hapless creature when it drops back into the water.

Legal Notice

COUNTY ZONING NOTICE STATE OF ILLINOIS

COUNTY OF LAKE

PUBLIC NOTICE is hereby given to all persons in the Town of ANTIOCH, Lake County, Illinois, that a public hearing will be held on May 26, 1969, at 1:30 p.m., in the Police Station, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the SR-Suburban Residential Zone, to the CS-Commercial Service Zone, the following described real estate, to-wit: Property located at Southwest corner of State Park Road and County Line, described as:

TRAFFIC SIGNS

Traffic signs are there for a purpose. It's a sign of good judgment when you obey all traffic signs and signals.

PARCEL 1: The North 130 feet of the West 340 feet of the Southwest Quarter of Section 28, Township 46 North, Range 9, East of the 3rd P.M., in Lake County, Illinois.

PARCEL 2: That part of the North half of the Southwest Quarter of the Northwest Quarter of Section 28, Township 46 North, Range 9, East of the 3rd P.M., commencing at the Northwest corner of said Southwest Quarter of said Northwest Quarter; thence East along the North line of said Southwest Quarter a distance of 340 feet to a point for a place of beginning; thence East on a continuation of the last described line 20 feet to a point; thence South on a line parallel with the West line of said Northwest Quarter a distance of 130 feet to a point; thence West on a line parallel with the North line of said Southwest Quarter of said Northwest Quarter 20 feet to a point; thence North on a line parallel with the West line of said Northwest Quarter a distance of 130 feet to the place of beginning, in Lake County, Illinois.

As a result of the petition of BEN SMITH & MARY SMITH, which petition is on file and available for examination in the office of the below named Board, County Administration Building, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING BOARD OF APPEALS
JOHN M. STERLEY
Chairman
Dated at Waukegan, Illinois, this 8th day of May, 1969.
(May 8, 1969)

LEGAL IN THE CIRCUIT COURT OF THE 19TH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS PROBATE DIVISION

ESTATE OF EDNA R. DROM
Deceased, FILE NO. 68 P 118
Notice is hereby given pursuant to Section 204 of the Probate Act, of the death of the above named decedent and that letters Testamentary were issued on March 25th, 1968, to RUBY EDNA

DROM HORTON, 574 Drom Court, Antioch, Illinois, whose attorney of record is Edward C. Jacobs, 425 Lake Street, Antioch, Illinois, and that the first Monday in the month of June, 1969, is the new claim date for the estate.
